

All Zistos borescopes offer safe visual access into extremely tight spaces and can be used optically or to send an image to any WalkAbout™ monitor.

Borescope Features:

- Cost effective alternative to videoscopes and fiberscopes
- Small diameter probe provides visual access into areas that are otherwise difficult or impossible to reach
- Can be used optically (held directly to the eye) or as a video camera in conjunction with WalkAbout monitor
- Available with rigid or flexible probe
- Color or black and white camera
- 17-inch (rigid) and 39-inch (flexible) lengths standard with custom lengths available
- Battery powered light source provides illumination
- Complete kit includes borescope, camera, camera adapter, camera cable, light source, guide tube (flexible borescope only), 90° adapter tube (rigid borescope only) and rugged carry case
- Available in NTSC or PAL video format

RIGID BORESCOPE

FLEXIBLE BORESCOPE

Borescope Models:

Rigid

6mm (.25") diameter x 17" long
Right angle mirror tube included
42° FOV (Field of View)

Flexible

8mm (.31") diameter x 1M (39") long
Probe can be formed to any shape
40° FOV (Field of View)

Borescope Kits:

Rigid Borescope Kits

- .25" diameter x 17" long rigid borescope
- Lithium battery powered light
- 90 degree adapter tube
- Fiberscope / borescope camera with camera lens adapter and camera cable
- Rugged aluminum carry case (22" x 5" x 3")

Models available

Camera	NTSC	PAL (Europe)
Color	FB	FB-P
BW	FB-BW	FB-BW-P

Flexible Borescope Kits

- .31" diameter x 39" long flexible borescope
- Lithium battery powered light
- Fiberscope / borescope camera with camera lens adapter and camera cable
- Guide Tube (fits under doors with .37" clearance)
- Rugged aluminum carry case (18" x 12" x 4")

Models available

Camera	NTSC	PAL (Europe)
Color	FKF	FKF-P
BW	FKF-BW	FKF-BW-P

Dual Borescope Kits

- .25" diameter x 17" long rigid borescope
- 31" diameter x 39" long flexible borescope
- Lithium battery powered light
- 90 degree adapter tube
- Fiberscope / borescope camera with camera lens adapter and camera cable
- Guide Tube (fits under doors with .37" clearance)
- Rugged aluminum carry case (18" x 12" x 4")

Models available

Camera	NTSC	PAL (Europe)
Color	FKB	FKB-P
BW	FKB-BW	FKB-BW-P
